

WOMEN UNITED LEADS THE WAY FOR EARLY CHILDHOOD SUCCESS

Thank you for inspiring and empowering our next generation!

United Way of Central Iowa's Women United members promote early childhood success and invest in proven strategies to allow every child in central Iowa to start out healthy and ready to learn. Please join United Way in recognizing and thanking these Lead Women and Women of Tocqueville Society members for being UNITED to THRIVE. Their generous contribution and dedicated commitment is fostering an equitable, engaged, and empowered community and providing opportunities for our youngest central Iowans to thrive.

"As a mom, I support Women United because of its dedicated focus on supporting early childhood success in central Iowa. Women United partners with organizations to equip children in their earliest years with essential learning and development skills; provide affordable, reliable, and quality childcare that benefits both the children and their parents; and allows our kids to thrive. It's what every parent hopes for."
